As a member of the ***Rental Housing of Southern Maine Group*** you and your tenants are eligible for discounts on your fuel purchases from Dead River Company. Steve Giroux from Dead River Company (formerly Giroux Energy) has been involved in securing these group discounts.

As a member, you will receive supplier pricing with an adder of **\$.30 cents** per gallon on Oil & Kerosene and an adder of **\$.60 cents** per gallon on Propane. Because our supplier pricing varies by market, your final net price per gallon may be different if you own multiple properties throughout the Dead River Company delivery footprint, however the adders will be the same in all markets.

This offer will be reviewed annually and changes to the program will be communicated to the association. To take advantage of these discounts, both you and your tenants (if tenant is responsible for fuel) should contact us to update current accounts or to open a new account. Please mention the ***Rental Housing of Southern Maine Group***, so these year-round discounts can be added to your account. No other pricing discounts apply.

To enroll or open an account please contact Dead River Company's ***Customer Relationship Center at 855-317-4837***. Please mention that you are part of the ***Rental Housing of Southern Maine Group***, promotional code ***156***.
